

STICK-EM[®] THE BUGO[®]

— STOP BED BUGS —

STICK-EM[®]'S THE BUGO[®] IS AN INVISIBLE BED BUG BARRIER THAT STOPS BED BUGS.

• SAFE & EASY TO APPLY • LASTS UP TO 8 WEEKS • VISUALLY DISCREET

APPLY STICK-EM[®]'S THE BUGO[®] WITHOUT LIFTING YOUR BED OR OTHER FURNITURE. SAVE YOUR BACK!

1 Carefully peel off the purple or green printed side of the adhesive circle

2 Stick the exposed adhesive side on to the floor around a bed leg (ensure that the edges meet, forming a continuous circle)

3 Remove the orange printed liner to activate The Bugo and catch some bugs

4 The Bugo can remain in place for up to 8 weeks

5 To remove The Bugo, slowly peel away from the floor surface

6 Dispose of the used Bugo responsibly
