

# General Tools 18-Piece Precision Hobby Knife Set Model #95618

*February 15, 2016*

# » Keeping Blades and Handles Organized is Hard

- Precision hobby knives are widely used by hobbyists and crafters for scrapbooking, framing, model building, carving, etc.
- Each project usually requires the use of multiple knives and blade types
  - Having the right handles can help with everything from intricate cuts to carving
  - But changing blades can be complicated and time consuming
- Staying organized before, during and after the project can be hard
  - With blades loose and unorganized in a toolbox
